

Iowa Flex/MBQIP District Networking Meeting

June 4, 2024 | 10:00 AM - 2:30 PM (CST) | Cass Health 1501 E 10th St Atlantic, IA

Target Audience: Flex/MBQIP Program Participants | District D

Come together with your peers to network and discuss Flex/MBQIP measures with our State of Iowa Rural Hospital Flex Coordinator and IHC clinical improvement consultants. MBQIP measures are based on scientific evidence and can reflect guidelines, standards of care, practice parameters, and patient experiences. During our time together, we will explore new and current methods, as well as best practices for effectively engaging your team in the pursuit of improvement. We will be discussing how measures are utilized to evaluate hospital care quality and patient safety. We will take a closer look at the data related to arrival and departure times in the emergency department, as well as patients who left without being seen. Additionally, we will discuss strategies for improving performance in these areas. Collectively, we will analyze the hot topic of antimicrobial stewardship and review the new MBQIP measures while providing an opportunity for peer-peer engagement in an open discussion to exchange ideas and opinions.

Objectives

1

Examine successes in applying data to promote patient satisfaction and improve hospital performance.

2

Identify Flex/MBQIP measures to address patient safety, promote diverse community needs, and achieve successful implementation.

3

Explore barriers and best practices of Emergency Department (ED) arrival/departure times and patients leaving before being seen.

4

Review antibiotic stewardship core elements and identify best practices.

5

Summarize the Flex program, changes to the Orientation Manual and review the results of State and National assessments.

Registration

Register by scanning the QR code or by using the link below.

Continuing Education

Continuing Medical Education (CME)

Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Iowa Medical Society (IMS). Iowa Healthcare Collaborative (IHC) is accredited by the IMS to provide continuing medical education for physicians.

Designation: IHC designates this live activity for a maximum of 2.5 *AMA PRA Category 1 Credit(s)*[™] Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Commercial Support: This activity was developed without support from any ineligible company. *The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests unless the provider of clinical services is owned, or controlled by, and ACCME defined ineligible company.

Disclosure: IHC adheres to the Standards for Integrity and Independence in Accredited Continuing Education. The content of this activity is not related to products or the business lines of an ACCME-defined ineligible company. None of the planners or moderators for this educational activity have relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing products used by or on patients.

Note: Nurse Practitioners and Registered Nurses: for recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit*[™] issued by organizations accredited by the ACCME (Accreditation Council for Continuing Medical Education). For relicensure, the majority of state boards around the nation accept *AMA PRA Category 1 Credit*[™] for attendance at structured learning activities offered by accredited organizations. Many other disciplines such as researchers, PharmD's, occupational therapists, physical therapists, anesthesia techs, societies, and credentialing bodies accept the *AMA PRA Category 1 Credit*[™] as an equivalent if the topic is relevant to the applicant's field or discipline. IHC will provide you with an attendance certificate post event, you will utilize this certificate to submit to your respective board for relicensure. *We suggest that learners check with their state licensing board to ensure they accept reciprocity with *AMA PRA Category 1 Credit*[™] for re-licensure*
