

NAVIGATING WITHIN

About Navigating withHIIN

We invite you to subscribe to the new Compass HIIN podcast channel *Navigating withHIIN*.

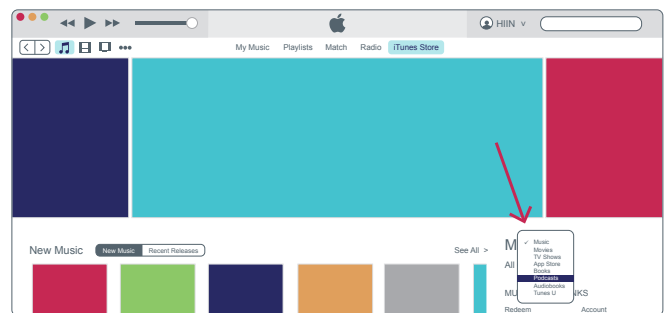

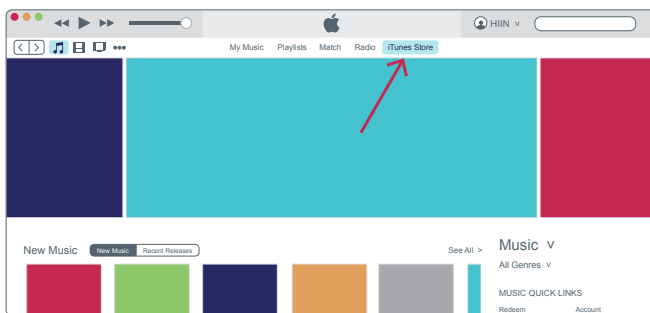

The goal of *Navigating withHIIN* is to deliver support resources, education and updates to Compass HIIN participants in a convenient and easy to access manner. You and your team members will be able to simply subscribe to our channel and listen to short pre-recorded podcasts on your phone, electronic device or computer at a time that is most appropriate for you! Please use the instructions provided below to subscribe.

Contact Sean Laffey, HIIN Program Specialist, with questions or for support at laffey@ihconline.org or 515-283-9352.

How to Subscribe

iTunes on a Computer

1. On your computer, download iTunes at <https://www.apple.com/itunes/download/>.
2. Open iTunes and click on "iTunes Store" at the top of the screen.
3. On the right-hand side of the iTunes Store, click the arrow next to "Music" and then select "Podcasts."
4. Search for *Navigating withHIIN*. Below the logo you'll see a button that says "Subscribe." Click that button to subscribe to the podcast series.

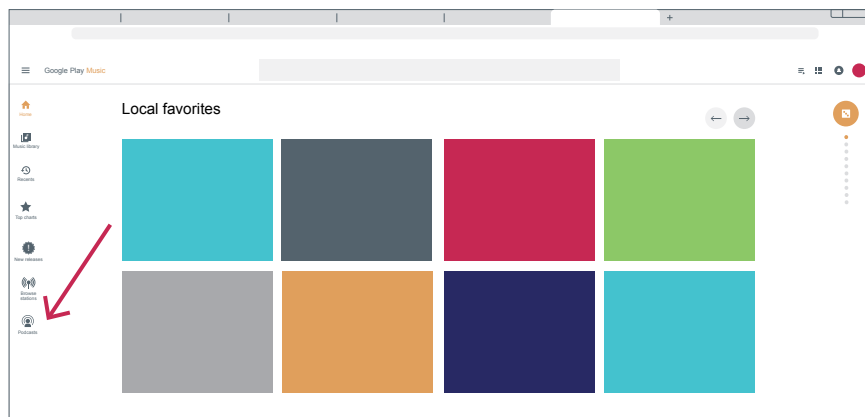

iTunes on an iPhone

1. Open the podcast app () on your iPhone.
2. In the bottom right-hand corner of the app, click the search icon. Type in *Navigating withHIIN*.

2. Hover over the left-hand side of the screen then click on "Podcasts" when it appears.
3. Search for *Navigating withHIIN*. Below the logo you'll see a button that says "Subscribe." Click that button to subscribe to the podcast series.

Google Play on an Android Phone

1. Open the Google Play Music app () on your Android phone.
2. Use the three bars symbol to pull over the left side of the screen and select "Podcasts."
3. Search for *Navigating withHIIN* and click on the *Navigating withHIIN* podcast logo.
4. Once you are on our page you'll see a button that says "Subscribe." Click that button to subscribe to the podcast series.

Upcoming Podcasts

Getting Started

This episode is titled "Getting Started" because we are stepping into the new world of educational opportunities! In this inaugural episode we will be helping to map out the goal of this platform for Compass HIIN participants and how you and your teams can access the content.

What You Should Know – IDPH Naloxone Reporting Mandate

Iowa Department of Public Health opioid initiatives director, Kevin Gabbert, will join us to share information on the Naloxone reporting mandate announced this summer and the new Narcan Kit Project just announced.

Hot off the Press! NEW Community Resource Flyers

In this episode we will interview Sarah Derr, PharmD, medication management lead at the Iowa Healthcare Collaborative. Sarah will provide information about new resources available to hospitals, clinics, pharmacies and communities throughout the state of Iowa.
